## HOLISTIC SERVICES

Genesis Youth Trust is a Charitable Trust working in communities across Auckland targeting youth offenders, at risk youth and their families/whānau.

Our long term objective is to reduce re-offending, by addressing underlying causes, by engaging our clients into; education, employment, training and connecting them into positive community activities.

Each life so transformed is of immeasurable value to the individual, their family/whānau and those who otherwise would become the victims of crimes.
